

Expand your sales to Argentina

We provide a seamless **Door-to-Door** logistics solution. Offer your customers a worry-free delivery experience while you focus on manufacturing and selling.

THE CHALLENGE: ARGENTINA'S MARKET

Shipping to Argentina can be complex due to customs regulations and local bureaucracy. Many potential buyers hesitate to complete a purchase because they fear shipping delays or hidden costs. Even as a supplier, you can offer freight, but you cannot accurately determine the taxes the customer will face at customs.

IMPONECT acts as your strategic partner to bridge this gap.

OUR INTEGRATED SOLUTIONS

International Freight

- Pick-up service from factory
- Air and Ocean freight management

Customs Clearance

Expert handling of Argentinian customs (AFIP) to avoid delays and provide tax certainty.

Door-to-Door Delivery

We pick up at your warehouse and deliver directly to your final customer's door.

Real-time Tracking

End-to-end visibility and status updates for both you and your client.
